## II. Statement of Claim:

State as briefly as possible the facts of your case. Describe how each of the defendants named in the caption of this complaint is involved in this action, along with the dates and locations of all relevant events. You may wish to include further details such as the names of other persons involved in the events giving rise to your claims. Do not cite any cases or statutes. If you intend to allege a number of related claims, number and set forth each claim in a separate paragraph. Attach additional sheets of paper as necessary.

A. In what institution did the events giving rise to your claim(s) occur? Berks County Jail System

B. Where in the institution did the events giving rise to your claim(s) occur? First incident was on J Block in dayroom and the second on I Block in cell 112 and the dayroom.

C. What date and approximate time did the events giving rise to your claim(s) occur? 8-25-15 @ 2:25 or 35 pm  
and 9-9-15 @ 11:00 pm

What  
happened  
to you?

D. Facts: I was placed on J block with a victims brother on my homicide charges pending and I am a state prisoner and was assaulted by Thomas Joseph Alequin and life was put in serious danger due to the lack of security and negligence by the jails security and was given a write up to cover up things and given excessive sanction time by the disciplinary hearing officer and restricted to phone access.

Who  
did  
what?

C.O Fink was the block officer and didnt defuse the whole situation and didnt even notice me assaulted the first time and took long to respond to the incident after being hit in the face and risked me being stabbed on many other issues. Also the security showed negligence by putting the brother of a victim in the same unit as me, knowing I have a high profile case and put my life at risk. Sgt. Krulac and Sgt Brandt signed off on the frivolous misconduct, VanBilliard gave me the excessive time, Capt Torres and Lt. Castro oversees security and lacked the qualification to keep me as a state prisoner safe from the detainees and Lt Castro gave me the write-up and C.O Fink. The whole thing is on the camera of B.C.J.S security for J Block. I wrote

Was  
anyone  
else  
involved?

Who else  
saw what  
happened?

sick calls and never received responses also. And now on my grievance response my statement was twisted around due to the inappropriate hearing process done without recording of testimony and Daniel VanBilliard trying to remember  
III. Injuries: And write it down after talking to you and going to his office.

If copies are made of this information and it is not to be used for any other purpose, it is to be destroyed after 10 years.

It is not to be used for any other purpose.

Lt. Castro tries to rebutt this arguement by statens I shouldve locked in right away but that couldnt happen when I had to sit by my door 2 to 4 mins and then was warned of the guy coming toward me, so I never had enough time to stand still because he was coming at me, so I walked off and upon that I dropped my ID and while picking up I was struck by a punch and the C.O never saw it so I walked to the stairs to avoid further conflict and he continued to be aggressive, loud, and beligerent at this time and then the C.O noticed and walk over after 2 or 3 min and still never alerted response backcup and as I was told to lock in I came down the steps and attempted to do so and was struck again and then the C.O finally physically contained him and response came in and I walked toward my cell and still couldnt lock in due to the co restraining him and then Lt. Castro ordered me to get down on the ground and I did so in front of my cell (5106) as it says on his misconduct and the guy threatened my mother and I responded and was cuffed and taken to the hole.

What happened to you?

D. Facts: On two separate occasions I was attacked by family members of victims carrying the same last name as a victim in BCSS on J Block first by the brother and second time jumped by the cousin and friends on I Block in my cell 112 and the dayroom and received a swollen eye blackened, saw cheekbone and jaw, saw ribs.

Who did what?

Thomas Joseph Alequin (Brother) punched me in my face twice on J Block and the cousin and a friend jumped me on I Block and the whole thing is on camera both times. Many times when my case hit the media hard I requested Administrative Segregation and was denied by security.

Was anyone else involved?

I was told to take PC which still gives you cellies and interaction with people to be attacked or fight and go to the hole, which isn't to suite my protection at all.

Who else saw what happened?

Both situations are on camera. In the process of the incident I was cut by my left I by a weapon and BCSS never made note of this at all but took pictures of it in the dark and never received full medical treatment for it.

### III. Injuries:

If you sustained injuries related to the events alleged above, describe them and state what medical treatment, if any, you required and received.

I received on 8.25.15 a saw jaw bone and on 9.9.15 I received a black eye swollen and a saw cheek bone and jawbone was saw ribs and I received bare minimum attention and unresponded sick call slips. Scar by left eye (possible slash attempt

### IV. Exhaustion of Administrative Remedies:

The Prison Litigation Reform Act ("PLRA"), 42 U.S.C. § 1997e(a), requires that "[n]o action shall be brought with respect to prison conditions under section 1983 of this title, or any other Federal law, by a

prisoner confined in any jail, prison, or other correctional facility until such administrative remedies as are available are exhausted." Administrative remedies are also known as grievance procedures.

A. Did your claim(s) arise while you were confined in a jail, prison, or other correctional facility?

Yes ☒ No ☐

If YES, name the jail, prison, or other correctional facility where you were confined at the time of the events giving rise to your claim(s).

Berks County Jail System

B. Does the jail, prison or other correctional facility where your claim(s) arose have a grievance procedure?

Yes ☒ No ☐ Do Not Know ☐

C. Does the grievance procedure at the jail, prison or other correctional facility where your claim(s) arose cover some or all of your claim(s)?

Yes ☐ No ☐ Do Not Know ☒

If YES, which claim(s)? \_\_\_\_\_

D. Did you file a grievance in the jail, prison, or other correctional facility where your claim(s) arose?

Yes ☒ No ☐

If NO, did you file a grievance about the events described in this complaint at any other jail, prison, or other correctional facility?

Yes ☐ No ☐

E. If you did file a grievance, about the events described in this complaint, where did you file the grievance?

Berks County Jail System

1. Which claim(s) in this complaint did you grieve? Failure to protect me and placing me on same block with family of the victim

2. What was the result, if any? None

3. What steps, if any, did you take to appeal that decision? Describe all efforts to appeal to the highest level of the grievance process.

The first grievance I appealed to the warden and the second grievance I never received response due to returning back to my state facility off unit

F. If you did not file a grievance:

1. If there are any reasons why you did not file a grievance, state them here: \_\_\_\_\_

---

---

---

---

2. If you did not file a grievance but informed any officials of your claim, state who you informed, when and how, and their response, if any: \_\_\_\_\_

---

---

---

---

G. Please set forth any additional information that is relevant to the exhaustion of your administrative remedies.

I filed grievance 9.9.15 for second attack and never received response, due to being transferred back to SCI Huntington 9.10.15 and I sent a letter to Capt Torres about mailing my response and he never did so.

---

---

Note: You may attach as exhibits to this complaint any documents related to the exhaustion of your administrative remedies.

Grievance filed 9.9.15 I never received my response due to going back to my state prison off writ but BCJS should still possess it in file.

V. **Relief:**

State what you want the Court to do for you (including the amount of monetary compensation, if any, that you are seeking and the basis for such amount).

I want Berks to have 2 officers at all time making cell rounds every 15 to 20 mins regularly because they make no rounds at all, just on counts only and I am seeking 3 million dollars monetary compensation for failing to protect and intervene, putting

my life in serious danger by placing me on a black not once but twice with family of a homicide victim and denying me my administrative segregation request that would've prevented the whole situation and tasing me as if I was the aggressor and for the negligence of the C.O's and security of Berks County Jail System that didn't carefully monitor where I was placed 2 times especially that I have a pending capital case that's very high profile and being that my co-defendant (my brother) was convicted already and my name in the paper alledging I was the shooter, I should've been automatically placed in security and protected coming down on writ as a state prisoner unaware of who is who and who is locked up. And I received a small scar on the side by left eye that was a possible slice attempt.

#### VI. Previous lawsuits:

- A. Have you filed other lawsuits in state or federal court dealing with the same facts involved in this action?

I filed a grievance of negligence for being assaulted and put in danger of my life for having a family of a victim on my case on the same block as me, I was never aware of him on my block or in jail at all, I am on writ and state sentenced already and computer shows family history and the Alequin brothers have both been in BCP and records show there family and my case is high profile and victims are known in my case and this is what security is about, to prevent danger and that never took place and the camera shows C.O Finks negligence to see me hit the first time and not respond along with his misconduct that never mentions the first hit. Here is my 2nd copy of what was written. Thank you! @

## FOR AMINISTRATIVE USE ONLY

Grievance Response:

14 The reason you didn't receive a grievance number is because you noted ~~more~~ than one issue, one of which belonged in the disciplinary hearing process, not the grievance process. A grievance which cites a non-grievable issue will be returned with no grievance number assigned. You may resubmit your complaint but it must be limited in scope to a grievable issue, i.e. being housed on the same unit as the brother of the victim in your criminal case.

While I was attempting to separate an inmate all of a sudden the inmate William participated in a hand to hand exchange with the inmate. This seemed to further agitate the inmate being escorted, so I went and tried to resolve the situation. I went to the cell to address William's behavior.

Castro was never with the other inmate he was with me the whole time.

I was ordered to get on the ground by response team and I did so, upon that Thomas Joseph Alequin was coming by saying and alledging I killed his brother and he's gonna get my mother next and I responded you want do nothing to my mom because I never killed your brother while on the floor detained by Castro and another C.O and Castro said shut up and I did so and then changed his mind and sent me to delta as well

## Officer Report

Video Footage shows real truth and rebuts this in parts.

On August 25, 2015 at approximately 1435 inmate Wilkins, Maurice (12-06641) and another inmate were yelling at each other in the J Unit dayroom. Inmate Wilkins was standing on the stairs and the other inmate was standing at the bottom of the stairwell. I approached both inmates and ordered them both to stop. Both inmates refused my order and continued to yell at each other. Inmate Wilkins proceeded to come down the stairs and approach the other inmate. The other inmate put his hands up in a fighting posture and swung a punch at Wilkins which connected. Assistance was called and unit was secured.

I am citing inmate Wilkins with the following offenses:

TR 154 - for not listening when told to do so. Also for continuing to argue when told to stop. When told to lock in I went to my cell and Castro detained me in front of my cell.  
 II 257 - Inmate Wilkins came back from medical and did not return to his cell (J106). Instead Wilkins walked upstairs where he was not authorized. (Upstairs was out for Rec)

\*This conflict could have been avoided if he went to appropriate cell.

So my reason for appealing the refusal of order because to refuse an order you have to be told 2 times to technically be refusal of orders and once told to lock in I motioned toward my cell and was attacked and upon walking after that the response team told me get on the ground in front of my cell and it's all on camera and body language tells a lot and I was never hostile, belligerent, combative, or resistant and I just don't see how this wasn't seen on camera, this is a wrong decision and the time is excessive, people fighting set less than this and to dismiss unauthorized area and not refusal of orders is preposterous because C.O Fink reason for refusal was not locking in and arguing and unauthorized was the refusal and on camera my body language doesn't show argumentative at all and I feel it should be dropped or days lessened to be fair. I can't fathom this decision. So please review my correct statement on front and review the body language and the video from me entering the door to the end again. I bet he got the same amount or less and he assaulted me! Furthermore I never was in trouble here since 2012 and only had 1 misconduct ever in BCP. And whenever the show of appreciation in avoiding a physical brawl, I try to make a conscious decision and get hammered. The only time talking to the other guy was on the floor, he was the one loud arguing and being combative and resistant, not me at all, I was calm until he threatened my mom while on the floor and I said a response in a calm matter. And there was no way to lock in when Fink was with Hequin and my door was locked and I was by it and I walked to it after being hit the second time.

APPEAL OF INMATE DISCIPLINARY HEARING**

**INSTRUCTIONS:** This form is for appealing a disciplinary hearing decision. Appeals are considered ONLY on the basis of SPECIFICALLY enumerated facts which may indicate that a Disciplinary Hearing decision was improper. It is not to be used as a second "hearing opportunity". Unsupported requests for sentence reductions will not be considered. Within two days of the Hearing Officer's Decision, you or your housing unit officer should place the appeal form in the Inmate Communication Box located on the Housing Unit.

Provide a brief reason (s) for your appeal. (Use the other side of this form if necessary):

First my statement is wrong, I said I was punched twice and not kicked and I went to my cell and stood there for 2 or 3 minutes and C.O Fink never opened my cell to go in and I was told by an inmate a victims brother had it out for me and I saw him and walked towards the otherside and my ID fell walking and I picked it up and got hit in my face picking it up and then I went up the steps to avoid conflict and waited 2 to 4 minutes before the C.O finally seen what was going on and came over and as he came over he said go lock in and I walked down the stairs and I had made an attempt to go to my cell and the inmate threw another punch and the C.O told everyone to go lock in and I did so but the response team came and put me on the floor in front of my cell as it says on Castro's misconduct says I was never arguing and when told to leave I did so and was attacked only I was ordered to lock in and I never had a chance to because I was ordered to get on the floor by Castro before making it to my "locked" cell door. →

**ADMINISTRATIVE USE ONLY:** Inmates, do not write in this space or your correspondence will be filed without answer. If you need additional space, use the back of this sheet.

Appeal Decision: ☐ Appeal Denied ☒ Sentence Reduced ☐ Charge (s) Dismissed

**BASIS FOR DECISION:** I have taken a substantial amount of time to review this incident and all of the evidence. First of all, I commend you on not physically engaging--that was an extremely sound decision. That issue at hand is refusal of orders. When the officer didn't open your cell you should have walked straight to his station "yelled" for him etc. Instead of walking towards & up the steps in the opposite direction. After he was alerted he is viewed trying to gain cooperation--you continued to yell & did not immediately go to your cell. All considered, I am reducing this to a 10 day sanction.

On 8.25.15 @ 2:25 I returned to my unit and was assaulted by Thomas Joseph Alequin who is the brother of a victim Raphael Alequin in my case and he should've never been housed on the same unit as me, which is negligence of Security by BCJS and put my life in danger pertained to the alleged charges against me that is high profile and should be carefully watched by BCJS to prevent injuries of retaliation for the protection of detainees in your possession. I am on writ and never was aware of him in BCJS in order to request separation at all, so it's not my fault not requesting an issue I don't know about and I will exhaust remedies and seek monetary actions, I am a state prisoner also to be noted. And BCJS is responsible for my safety.

FOR AMINISTRATIVE USE ONLY

Grievance Response:

By your own admission during your disciplinary hearing, you recognized the other inmate upon your return to the unit from the medical department prior to the assault. Rather than immediately returning to your cell (106) and locking in, you proceeded to walk to the rear of the housing unit. You claimed you walked in that direction to retrieve your ID card, but video evidence disproves this assertion. Video evidence clearly showed you proceeding to the rear of the housing unit prior to dropping your ID card. The card fell to the ground after you had passed cell 112. At that point, you turned around and retrieved your ID. You had every opportunity to look into your cell prior to the assault, but instead you freely chose to not do so. If you had looked into your cell like you were supposed to, you could have alerted staff of a potential conflict before it became an actual one.

As of 8.25.15 @ 2:25 estimated I returned to my block J unit and I was assaulted by an inmate who is the brother of Rapheal Alequin, who is a victim in my pending case. I am a state prisoner on writ and I am a victim to negligence by Security of Berks County Jail System. I received a busted lip and now a false disciplinary charge has been placed on me and at no time was I belligerent, aggressive, combative or resistant to orders, as seen on camera. This is a cover up to negligence and I seek of these charges dropped and charges pressed against the victims brother for assault and terroristic threats and Furthermore seek compensation for my injury, trauma false imprisonment, and negligence on behalf of Berks County Jail system, the Warden and the treatment unit, and whoever makes placements. This was never supposed to even happened and I will be seeking and filing a law suit for a sum of 2,000,000,000 for putting my life in danger due to negligence. I need medical again!

## FOR AMINISTRATIVE USE ONLY

Grievance Response:

You must use the disciplinary hearing process to argue the merits of a misconduct citation, not the grievance process. As for your other complaint, neither you nor the other inmate alerted staff that a potential issue existed. If you wish to pursue criminal charges against the other inmate, you can write to the Pennsylvania State Police. Your unit counselor can help you find the address. Threats of litigation and demands for monetary compensation are not entertained in the grievance process.
